9:30 AM – 11:00 AM – Getting to Know You – Facilitated by Howard Stanten/Erin Wright  
11:00 AM – 1:00 PM - Preparing for the next 6 months
- 2.) **December 12: Non-Profit Management:** Learn the challenges and opportunities of running a non-profit from local and state non-profit leaders and consultants and how to get involved.
- 3.) **January 9: 8:30AM – 3:30 PM: Leading the Project- Successful Development in the Five Stages – Presented by Dennis T Martino, Adjunct Professor, Granite State College**  
Learn about the five stages of Projects, and the basic planning activities as defined by PMI’s Project Management Book of Knowledge. Discuss the fundamentals of the Project Management Plan including Management of Scope, Cost, Risk, Quality, Human Resources, Time, and why a critical success factor for any project is to define how you will manage the knowledge areas before you start to execute your schedule. The Fundraising task will be our model.
- 4.) **January 23: Municipal Government:** *Students will be expected to have attended a town or budget committee meeting by this date and be prepared to report to the class about their experience.* Gain insights into local town management and governance. Learn how local decisions are made, the roles of various local government officials, and becoming involved.
- 5.) **February 13: Education - Engaging Today’s Students:** Learn how public and private schools are meeting the challenge of engaging today’s students at the state and local levels. Discuss the state position and current initiatives around school choice.
- 6.) **February 27: Healthcare - Public Health:** Commissioner of the NH Department of Health and Human Services, Jeffrey Meyers, will discuss the state’s present public health priorities including the opioid crisis. Learn from local health care leaders about Population Health and why is it such a focus of today’s healthcare institutions.
- 7.) **March 13: Natural Resources:** Commissioner of the NH Department of Environmental Services, Robert Scott, will discuss the role of the DES and how it balances the interests of natural resource protection and economic development. Learn different perspectives around the issue of preservation vs development from local leaders in the public and private sectors.
- 8.) **March 27: Public Safety:** Commissioner of the NH Department of Public Safety, John Barthelmes, and Director of the Division of Homeland Security and Emergency Management, Perry Plummer will join local law enforcement and fire/rescue officials in a discussion of roles and responsibilities including the multi-layered coordination and prioritization of public safety.
- 9.) **April 10: Serving on Boards: Legal and Efficient Operations:** Whether currently serving on a board or looking forward to the opportunity, this session will assure that you are ready to lead<sup>10</sup>.
- 10.) **April 24: Student Project Work Day**
- 11.) **May Field Trip – All Day TBD**
