- **Student Loan Scholarship Funding** using Lions, Rotary, Kiwanis, and Mountain Garden Club as a model to encourage other local scholarships to transition already existing funds (or create new funds) towards student debt scholarship. Also petitioning the business community to donate to the cause. **Brendan** to shepherd this work.
- **Start Tank** - Work with MWVEC and SCORE scheduled for Sept. 19 at PAC in Fryeburg – **Nick Robbins and Trevor Sullivan**
- **Statewide Recognition & Stay, Work, Play Liaison** for individuals and organizations in the MWV area – making an effort to nominate worthy nominees for state and regional awards through Stay Work Play, NH Business Review, NH Magazine, Volunteer NH and various associations. Also keeping an “ear to the ground” on what is happening with other, neighboring YP groups. **Kara Couture**
- **Governor Sununu Millennial Advisory Council** – **Austen Bernier, Amanda Dubs, and Jessica Wright.**
- **Leadership MWV**- Provide mentorship/liaison This program needs a champion whose role would continue to evolve as Leadership develops
