VACATION INSPIRATIONS FOR YOUR NEXT VISIT TO MT. WASHINGTON VALLEY, NH

Winter isn’t over, until it’s over and March is gearing up to be a great month! We have plenty of snow still to be skied, hiked, snowshoed and more, and some awesome events to celebrate the season with!

**Ski New Hampshire’s 4th & 5th Grade Snowsports Passport** is an amazing deal for 4th & 5th graders from anywhere in the country, and comes with 32 lift tickets and trail passes for $30. Our alpine and cross country ski area members contribute one free lift ticket or trail pass per Passport so that your child can enjoy New Hampshire’s scenic ski trails this winter! Conditions are fantastic right now, and there is still plenty of ski season left to use a Passport.
