

## **Energy Panel at the 2015 Annual Meeting**

Thursday, October 29 from 2:00 pm - 3:30 pm  
10th Mountain Room, Red Jacket Mountain View Resort

With winter coming, electricity supply costs will be going up again beginning late 2015 through spring 2016, resulting in higher electricity bills for residents and small businesses. To help you learn why New England electricity costs are high and what you can do now to reduce your electricity bill, ENH Power has put together a panel of electricity-related experts.

Panelists and topics will include:

- **Competitive Electricity Supplier:** What to look for when shopping for an electricity supplier.  
Emile Clavet, Co-founder of Electricity Maine.  
ENH Power of NH in 2012  
Provider Power Mass in 2014
- **Energy Auditor:** Rebate programs to off-set appliance, lighting and equipment upgrades  
Stacey Sand, Go Green Energy Audits  
P.O. Box 832, Intervale, NH 03845
- **Electricity Retailer:** Energy-efficient lighting options  
Chris Miller, Manager, Rockingham Electric - Northern NH  
P.O. Box 950, 220 White Mountain Highway, Conway, NH 03818
- **Foam Insulator:** Case study of how they reduced their electricity bill.  
Roland Berthium, North Country Spray Foam  
P.O. Box 175, Berlin, NH 03570
